

September 8 Reboots the Torske Klub Luncheon

September starts the 58th year of the Chicago Torske Klub and we'll celebrate with our traditional torsk (cod), lefse, potato, veggie and of course Linne Aquavit. We hope you had a good summer and are ready for re-engaging old and new friends.

Our program chairman, Thor Jondahl, has been busy this summer with preparing a good set of programs this year. We start with a discussion of healthcare rehabilitation from Susan Raine of NovaCare Rehabilitation. NovaCare Rehabilitation is part of the Select Medical Outpatient Division, a nationally prominent, locally driven provider of outpatient physical rehabilitation, sports medicine, hand health and work health.

Many of us have experienced physical rehab for one reason or another, but one of members, Fred Durler, has benefitted and will serve as our Torskemaster and witness of this service.

Read the box below with the instructions to make your reservation. The line is open now.

September: Jerry Andersen, Petter Berntzen, Sam Cory, Board Member Fred Glure, Kurt Gustafsen, Matt Gustafsen, Kjell Larsen, John Teppen, and John Van Alstin.

We received news of a number of our members who took ill or passed away.

Richard "Dick" Biehl was a long time member and our treasurer over 20 years ago and retired to Lake Mills, Iowa. He passed away on April 10. His wife Gladys sent a note "Dick really enjoyed Torske Klub for many years".

We also learned that we lost Norman Mostad on May 5.

We have learned of four members recovering from illness, hospitalization, or continued health issues: David Hardy, our Program Chairman Thor Jondahl, Hank Solberg and our boss Lowell Olberg. Thor and his wife Darlene lost a granddaughter earlier this year also.

Our thoughts and prayers are with all our friends and their families.
